<b>Position Title</b>	Leader, Information Technology
-----------------------	--------------------------------

ORGANISATIONAL CONTEXT		POSITION CLASSIFICATION (HR Only)	
<b>Business Unit</b>	Finance & Business Services	<b>Location</b>	Hobart
<b>Group</b>	Information Technology	<b>Salary Band</b>	
<b>Team</b>			

Organisation Overview
<p>Tasmanian Networks Pty Ltd (TasNetworks) is Tasmania's electricity transmission, distribution and telecommunication business. It is a State-owned Company formed by the merger of the distribution business of Aurora Energy Pty Ltd and Transend Networks Pty Ltd. TasNetworks formally commences operations on 1 July 2014 to support the following outcomes for Tasmanian customers:</p> <ul style="list-style-type: none"><li>• lowest sustainable electricity bills;</li><li>• long-term safe, secure and reliable supplies of electricity; and</li><li>• a financially viable business that runs efficiently and effectively and maximises the overall economic benefit to Tasmania.</li></ul>

Organisation Requirements
<p><b>Safety:</b> While at work you must champion a strong safety culture, take reasonable care of your own health and safety and the health and safety of other people. This includes people working under your supervision or direction who may be affected by your acts or omissions at the workplace in accordance with the Work Health and Safety Act 2012 (Tasmania).</p> <p><b>Compliance obligations:</b> You are required to comply with all relevant legislation, laws, regulations, standards, codes and TasNetworks policies and procedures.</p> <p><b>Vision and values:</b> All TasNetworks employees are expected to support the achievement of a shared company vision and to act in accordance with the company's stated values.</p>

### POSITION PURPOSE

<p>The Leader, Information Technology is responsible for the management of information technology throughout TasNetworks including developing and maintaining the overall IT strategy / managing staff, researching and implementing technological strategic solutions. The role reinforces a culture of innovation and adaptability by utilising new and existing technology, where it offers an opportunity to achieve efficiencies and business advantage. The role facilitates in transforming the business and associated business processes, including, but not limited to, the IT environment within TasNetworks and the integration of the new TasNetworks' ERP. The position has key role in enabling business change and transformation.</p>
--
